Transition Advertiser Letter

尊敬的客户 Dear Esteemed Customer

感谢贵组织对挪亚检测认证集团有限公司(以下简称NOA) 的信任于支持, 选择NOA 为贵组织提供认证服务。

We extend our gratitude for your organization's trust and support of NOA Testing & Certification Group Limited (hereafter referred to as NOA) and for selecting NOA to provide certification services for your organization.

国际标准化组织 (ISO) 于2024年3月发布了ISO27006-1:2024《信息安全管理体系审核认证机构要求》(Requirements for bodies providing audit and certification of information security management systems), 该标准代替了ISO/IEC 27006:2015, 新标准实施过渡期为标准发布后的2年。

The International Organization for Standardization (ISO) released ISO27006-1:2024 "Requirements for bodies providing audit and certification of information security management systems" (Requirements for bodies providing audit and certification of information security management systems) in March 2024. This standard replaced ISO/IEC 27006:2015, the transition period for the implementation of the new standard is 2 years after the release of the standard.

CNAS按照等同采用ISO/IEC27006-1:2024的原则, 发布了CNAS-CC170:2024《信息安全管理体系认证机构要求》, 以取代CNAS-CC170:2015。此外, CNAS根据CNAS-CC170:2024以及ISMS认可经验总结, 修订并发布了CNAS-SC170:2024《信息安全管理体系认证机构认可方案》, 以取代CNAS-SC170:2017。

In accordance with the principle of equivalently adopting ISO/IEC27006-1:2024, CNAS issued CNAS-CC170:2024 "Information Security Management System Certification Agency Requirements" to replace CNAS-CC170:2015. In addition, based on CNAS-CC170:2024 and the ISMS accreditation experience summary, CNAS revised and released CNAS-SC170:2024 "Information Security Management System Certification Body Accreditation Scheme" to replace CNAS-SC170:2017.

2025年1月1日后按照ISO27006-1:2024要求, NOA结合监督/再认证审核完成已获ISMS认证证书转换;

After January 1, 2025, in accordance with the requirements of ISO27006-1:2024, NOA will complete the conversion of the ISMS certification certificate through combined supervision/re-certification audit;

ISO/IEC 27006-1:2024 和ISO/IEC 27006:2015 之间的主要变化包括但不限于:

The main changes between ISO/IEC 27006:2015 and ISO/IEC 27006-1:2024 include but are not limited to:

1、细化了对远程审核的要求Refinement of the requirements for remote audits

a)在9.1.3.3中部署远程审核的新要求；

New requirements for deploying remote audit in 9.1.3.3

b)远程审核的范围和有效性应在审计报告9.4.3.2中说明；

The extent and effectiveness of applying remote audit shall be indicated in the audit report in 9.4.3.2.

c)取消了批准的要求远程审核活动占计划节点-站点审核时间的30%以上。

Removal of the requirements for obtaining approval from the AB if the remote auditing activities represent more than 30% of the planned on-site audit time.

d)对于很少或没有物理相关站点的客户端，审核报告(参见9.4.3.2)和认证文件(见8.2.2)应规定其活动必须有效。

For the client with few or no physical relevant sites, the audit report (see 9.4.3.2) and certification document (see 8.2.2) shall state that the client's activities are conducted remotely.

2、更新审核时间计算要求（见附件C）。 Updating the audit time calculation requirement (see Annex C)

a)介绍了在C.2.1中执行某些相同活动的人员的概念，并定义了如何确定初始活动的要求人数为C.3.4。

Introducing the concept of persons performing certain identical activities in a) C.2.1 and definition of the requirement for how to determine the initial number of persons in C.3.4 accordingly.

b)对C.7中范围扩展的审核时间的新要求。

New requirements for audit time for scope extensions in C.7

c)进一步明确了在c.6中对多个站点的审计时间的计算方法。

Further clarifying the approaches of calculating audit time of multiple sites in C.6.

3、更新 ISO/IEC 27006:2015 的附录 D，以与 ISO/IEC 27001:2022 附录 A 中列出的信息安全控制保持一致，并将其转移为 ISO/IEC 27006-1:2024 的附录 E。表 D 被重新标记为表 E。

Updating Annex D of ISO/IEC 27006:2015 to align with the information security controls listed in Annex A of ISO/IEC 27001:2022 and transferring it as Annex E of ISO/IEC 27006-1:2024. Table D was relabeled as Table E.

4、细化在ISMS认证文件中引用其他标准的要求（见8.2.3）。

Refinement of the requirements for referencing other standards in the ISMS certification documents (see 8.2.3).

5、使用ISO/IEC 17021-1: 2015消除冗余。例如，第5.2、7.1.3、9.3.2.2条和9.4（ISO/IEC 27006-1: 2024）已经更新。

Removal of the redundancies with ISO/IEC 17021-1:2015. For example, clauses 5.2, 7.1.3, 9.3.2.2, and 9.4 (ISO/IEC 27006-1:2024) have been updated.

6、删除对ISMS审计员的工作经验和培训的量化要求，例如，4年的全职实际工作经验。

Deletion of the quantitative requirement for the work experience and training of ISMS auditors, for example, 4-year full time practical workplace experience.

最后，感谢您一直以来对NOA 的信任与支持，也衷心地祝愿贵组织事业蒸蒸日上！

Finally,I would like to thank you for your continued trust and support ofNOA and sincerely wish your organization every success in its endeavors!
